A Mis-Fit

Is provoking and generally disagreeable even if the clothes are of the finest material and fashioned after the latest styles. Just a little wrong in this respect makes all wrong. We pride ourselves on our ability to fit any man who isn't an absolute monstrosity. If your arms or legs are long, your body too fat or too thin, and you have never been able to get a fit, let us show you we can do it. We are the only house handling the famous HIGH ART CLOTHING.
